

# SUPERDADS MATCHING CHALLENGE

Draw a line from the SUPERDAD to the SUPERFACT

I fly long distances  
to get water for my chicks

I use powerful  
kicks to protect my eggs

I care for and protect  
my many chicks on my own

I carry my eggs  
on my back

I like to play  
tug of war

I bury a dead animal  
for my young to eat

I carry my youngsters  
in my throat

I squirt a gluey substance  
out my back end to  
build my nest

I get pregnant  
and give birth
